

SCILEANNA URLABHRA AGUS TEANGA

SPEECH AND LANGUAGE

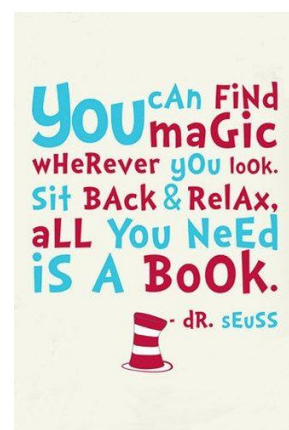

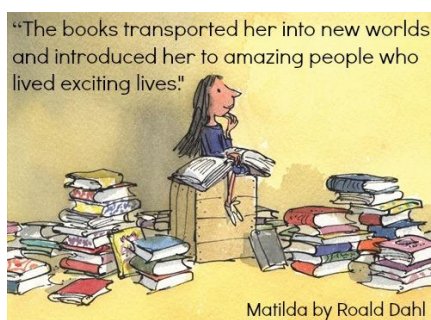

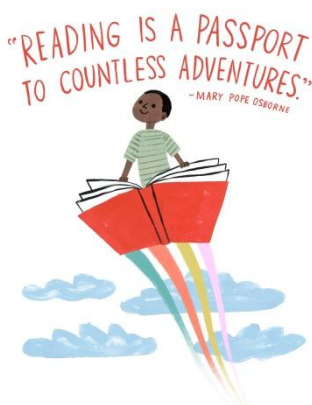

A chairde,

Tá súil agam go bhfuil sibh go maith agus go raibh Cáisc álainn séimh agaibh. I hope that everyone had a quiet and peaceful Easter and that all the children are doing well at home. A little reminder that if you have any questions please don't hesitate to contact me on doireann.nighiobuin@gsbhailebrigin.ie or the school email gsbb2020@yahoo.com.

This week our support team have compiled some activities to support speech and language with your children. These have been added to the SEN page. These activities range from visual timetables or supports for children who are learning language, to communication games to play with your child as a means of developing their vocabulary. Please use whichever apply to you and your child.

This week children will also begin learning via Seesaw or Google classroom. This can be daunting, but please take your time, choose what can be done for your child, if at all anything. As said on the newsletter, please don't feel pressurised into doing the work if that does not suit your family right now.

A brisk walk or a cosy chair to enjoy a book with your child can be very beneficial either to emotionally support your child, escaping on a wonderful adventure, reading for enjoyment and most certainly developing their language.

Múinteoir Doireann
