Tá áthas orainn a rá gur shroich foireann na gcailíní agus foireann na mbuachaillí sinsearach an babhbta leath ceannais dá gcomórtais. Bhí na cailíní ag imirt in aghaidh Scoil Mhuire i Leamhcán inné. We are delighted to say that both the girl's team and the boy's senior team have reached the semi final stage of their competitions. The girls played yesterday in Lucan but it wasn't to be. THE LUNCH BAG

Empowered, Educated Eating

To pay simply add your card. Remember! Your money is always yours. You can discontinue service at any time.

We are a school lunch company who deliver lunch to your new school. Now that your child is starting big school, how about empowering them to take care of their own nutrition to set them up for life as a big kid!

- For the same cost as a homemade lunch, your child has the choice of a different, fresh lunch every day of the week.
- Swap stressful mornings for sitting with your child to make good nutritional choices, at a time that suits you both.
- Allow your child to taste new foods without additional cost or food waste.

How does it work?

1. Download our app 'The Lunch Bag'
2. Order before 4pm the day before
3. Suppliers deliver fresh produce to us everyday
4. Your lunch is then made in sterile kitchens
5. Lunch is delivered straight to the classroom the next day
6. Children compost & recycle responsibly!

Save money by ordering before 12 midnight

The selection of healthy food options is fantastic. The app is very easy to navigate for children and encourages them to get actively involved in making good food choices. It is a cost effective service which offers great flexibility in terms of ordering to suit different tastes and needs. - Heidi, A Happy Mum
